Community activities

Lived here over half life

I was born and raised in Metherringham. I always wanted to live in a village close by, as my family are all buried in Metherringham Churchyard. Plus I always liked Scopwick Village.

There have been many road traffic incidents on the turning off/onto the B1188 where the Royal pub is. The main reason relates to the speed of traffic goes through here and the other is the lack of visibility from main street turning onto the B1188. If traffic was slowed to 30mph through this section, this would make it safer and improve the living environment

Small community, very friendly community

Low crime/ safe neighbourhood

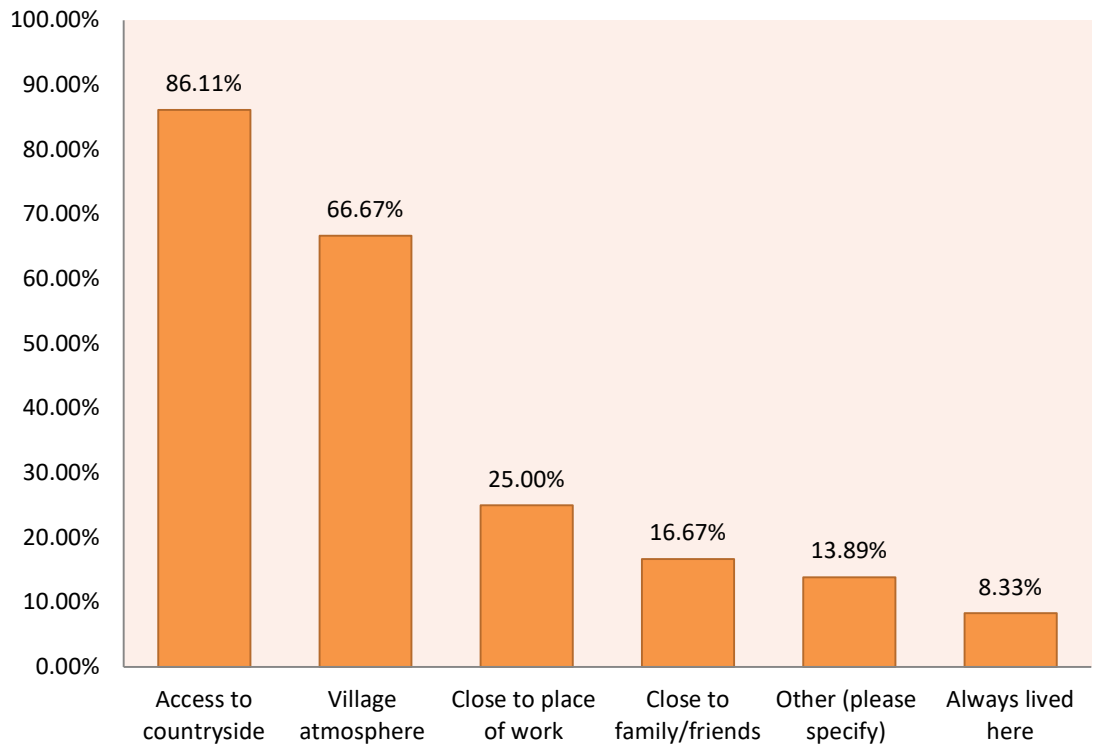

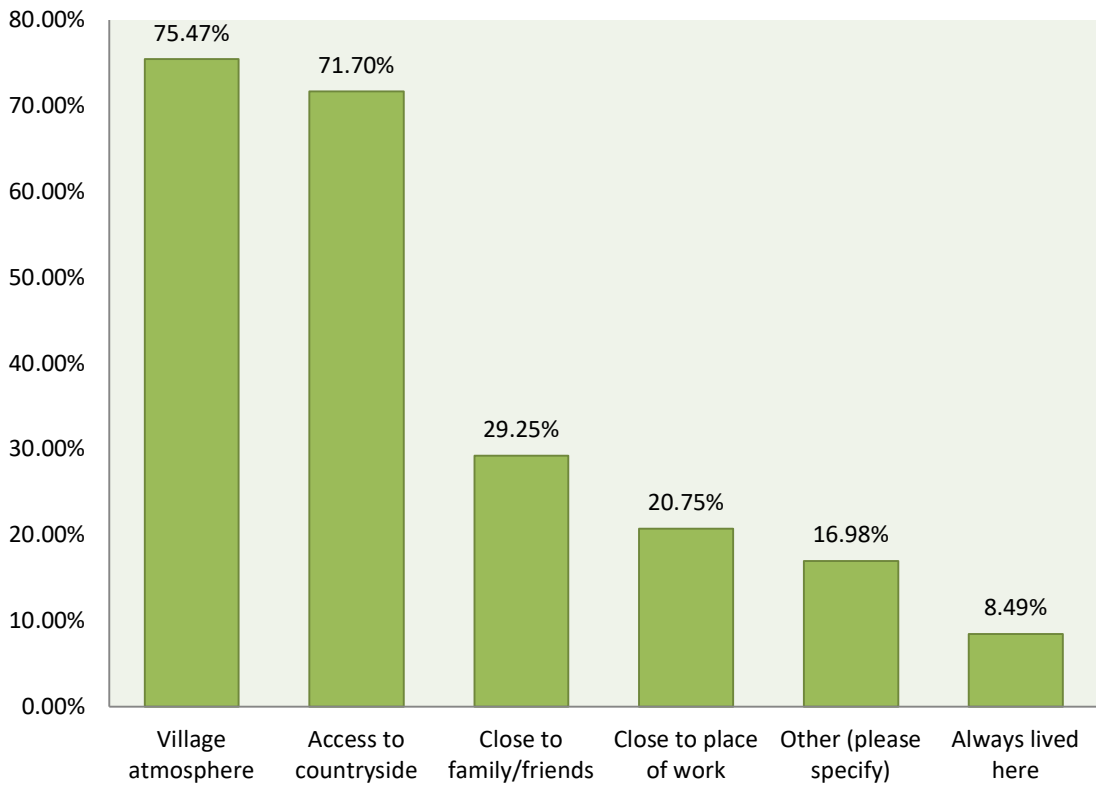

Welcoming- good community spirit/ neighbours where i live - enjoy events at village hall

To experience a quieter pace of life

New to area - little community life seems to be present

Pretty quiet and friendly, good old fashioned village committee

Quiet place
