

What improvement would you like to see?

Type	No	Road maintenance/ safety	Speed/traffic control	Environment	Community Facilities/ services	Development	Access	Other
Answered	103	Road improvement	We would like to see the speed limit reduced on the main road and	Better maintenance of grassland surrounding the beck, particularly outside the village hallx 3	. A pub with shop/post office and more activities at village hall	I would like to see the village grow a little x 2	A cycle path/pavement leading from Scopwick to Digby camp and to Blankney	Village residents valuing their community
Skipped	43	Road maintenance	Speed limits enforcement	More forestland nearby	A small shop would be nice	More families living in the village, to encourage amenities to thrive i.e. the pub	better access to the main rail head at Metheringham	The village to be more 'alive' during the day in the week
		Pedestrian crossing for B1188 and a speed limit of 30mph	A mirror or traffic lights and a speed camera at the junction to main street.	Naturalise the beck to a greater extent from pub to church.	More community events	Affordable houses to encourage a younger generation of residents including young married couples	Better bus service	
		restrictions on heavy goods vehicles through village	30mph speed limit	Paths being tidied	Would like to have the pub open again and some sort of cafe or shop as well	More smaller starter homes to allow younger/ local people to live in the village. Small scale business opportunities		
		A pedestrian crossing at the B1188.	Speed of traffic	Energy efficient street lamps. Clean road signs.	The pub re-opening	Affordable housing,		
		Better roads	Control of traffic through the village	Less dog mess	A corner shop			

		Improved road surface to/on B1191, especially E. towards K.G. and beyond, to improve safety	30mph on Lincoln - Sleaford road; Passive speed signs on village entry roads.	Protection of the beck verge and restriction of parking on verge	Pub open and reflective of the village			
			Children crossing/ slow sign nr bridge for primary school bus	Communal grass cutting properly, (most of tenants do their own as its left in a mess)	New neighbourhood watch signs.			
			Less tipper traffic. Its noisy dirty - perhaps the tipper companies could send a road cleaner once a week to wash the road	Dog owners to take more responsibility + clean up their dogs droppings (shame)	A pub that serves good home cooked food and wide selection of drinks. The Limes torn down and replaced with a shop such as Tesco express or Co-op, or another pub			
			30mph speed limit		Open pub, Small shop			
					A community pub with reasonable prices			
					More facilities, Some kind of village shop - even within the village hall or similar.			
					A successful pub; might require more houses. Faster broadband installed.			
					Dog friendly pub with good food. Small convenience store. Drs (possible Limes)			
					Small local shop selling basic needs			
					Would be nice if pub would re-open			
					A village shop			

					Apub with a shop again			
					The pub open and more development to sustain it			
					village pub			
					The pub re-opening			
					Pub re-opening - more housing			
					the pub to be re-opened
